## BOTHWELL AUXILIARY AWARDS NURSING SCHOLARSHIP

SEDALIA - Bothwell Regional Health Center Auxiliary recently awarded its annual nursing scholarship to April Rogers.

Rogers, a nurse's aide in the Critical Care Unit at Bothwell, plans to pursue a degree at State Fair Community College in hopes of becoming a licensed practical nurse. She will receive a \$1,000 scholarship.

"Nursing allows a person to explore many aspects and challenges a person's mind," Rogers said. "The brain of a nurse is constantly working, solving problems and building collaboration skills. I am excited to pursue a career in nursing."

Karen Suroff, Bothwell Auxiliary, left, congratulates April Rogers, Bothwell nurse's aide, for receiving the Auxiliary's annual nursing scholarship.

The Bothwell Regional Health Center Auxiliary annually awards scholarships to applicants who enter the nursing field or who are Bothwell employees furthering their nursing education.

"Our hope for the Auxiliary scholarship is that students will continue to pursue nursing careers and will choose to stay at Bothwell after finishing their education," said Karen Suroff, chairman of Bothwell's Auxiliary Scholarship Committee and a former nurse at Bothwell Regional Health Center.

Proceeds from Bothwell Regional Health Center's Gift Shop fund the scholarships.

###

Bothwell Regional Health Center is a 140-bed regional health center serving west-central Missouri with state-of-the-art technology and comprehensive health and wellness services including surgical, cancer, orthopedic, cardiovascular,

women's health, and therapy services. For information on Bothwell and its services, visit the Web site at [www.brhc.org](http://www.brhc.org) or find us on Facebook.
