BOTHWELL MEDICAL EQUIPMENT OPENS IN NEW LOCATION IN THOMPSON HILLS SHOPPING CENTER

SEDALIA – Bothwell Medical Equipment is now open at its new location in Thompson Hills Shopping Center. This new location will allow additional space for customers to review the wide range of hospital equipment and health aids, such as oxygen equipment supplies, nebulizers, canes and other assistive devices that make life at home more comfortable.

“We are pleased to offer customers a more central location that’s easier to access and has ample parking, said Regina Hix, supervisor of Bothwell Medical Equipment. “We think customers will find this new store and our expanded lines of home medical equipment to be more convenient and comprehensive.”

Bothwell Medical Equipment provides rental, sales and service on a variety of home health equipment and assistive devices. Certified respiratory therapists and training technicians are on staff to answer questions and demonstrate products.

These services may be covered by Medicare and Medicaid for some customers. Bothwell representatives will file all necessary information with Medicare, Medicaid or private insurance. Private pay is also accepted.

For more information on medical equipment and supplies call Bothwell Medical Equipment at 660-826-4909.

###
