## COMMUNITY TREE OF MEMORIES CELEBRATION IS DEC. 11

SEDALIA - The Bothwell Hospice invites anyone who has experienced the loss of a loved one to attend the Community Tree of Memories Celebration at 6 p.m. on Tuesday, Dec. 11. The ceremony will take place south of the hospital's main entrance, on the southwest side of the main parking lot.

This year marks the 19<sup>th</sup> anniversary of this event to honor the memory of loved ones. Attendees are encouraged to bring an inexpensive, weatherproof ornament in memory of their loved ones to hang on one of three trees, which will remain outside on display throughout December.

The Tree of Memories provides a unique way to honor and remember loved ones who have died but will always be in your hearts, thoughts and prayers.

For information, contact Amy Brust, Bothwell Hospice, at 660-829-2700.

###

Bothwell Hospice, located in Thompson Hills Shopping Center in Sedalia, offers a team approach in caring for the physical, mental, emotional, social and spiritual needs of individuals and families facing the advanced stages of a terminal illness. A non-profit organization offering services to patients or their families regardless of their ability to pay, Bothwell Hospice serves a 35-mile radius of Sedalia, including Pettis County and portions of Cooper, Moniteau, Morgan, Benton, Henry, Saline, Johnson and Lafayette counties. More information on hospice services is available online at [brhc.org](http://brhc.org).
