

The Bothwell Hospital Employees Credit Union recently presented \$2,020 to the Bothwell Regional Health Center Foundation for the hospital's spiritual space renovation project. The proceeds were from the "Scrapbook It Dano" event held Jan. 19 at Parkview Christian Church in Sedalia. The credit union-sponsored event was a huge success with more than 56 crafters and 16 business vendors attending. Credit Union representatives Jan Henson, left, Tracy Owen, Vanita Southard, Debra Beck and Julie May presented the donation to Foundation Director Lisa Church, second from left.
