PHYSICIAN RETURNS TO BOTHWELL AS MEDICAL DIRECTOR OF EMERGENCY DEPARTMENT

Dr. Scott Dudley has returned to Bothwell Regional Health Center as medical director of the Emergency Department. He previously worked in Bothwell's Emergency Department during and after his residency in 2006-08.

Dudley received his Doctor of Osteopathy from the Kansas City University of Medicine and Biosciences and completed his residency in family medicine at the University of Missouri Health Care. He is a member of the American Academy of Family Physicians.

"Dr. Dudley's knowledge of Bothwell and his experience with the people in our community are a nice addition to our Emergency Department," said President and Chief Executive Officer John Dawes. "We are happy to have him back at Bothwell."

As medical director for the Emergency Department, Dr. Dudley will be employed by the Schumacher Group, who provides physician staffing for the department.

#

Bothwell Regional Health Center is a 140-bed regional health center serving west-central Missouri with state-of-the-art technology and comprehensive health and wellness services including surgical, cancer, orthopaedic, endovascular/cardiac, women's health, and therapy services.
