BOTHWELL EMPLOYEE RECEIVES DISTINGUISHED SERVICE AWARD

SEDALIA, MO - Bothwell Regional Health Center's Director of Medical Records Jeff McGraw recently received the Distinguished Service Award from the Missouri Health Information Management Association (MHIMA).

According to MHIMA, the Distinguished Service Award is awarded to an individual whose record of contributions to the field of health information management over many years is truly exceptional. McGraw accepted the award, which is the association's highest honor, at its annual meeting in Branson.

McGraw began his career in health information management in 1995 and has been at Bothwell Regional Health Center since 2005. Currently serving as past president of MHIMA, McGraw has held a variety of offices within the association, including president in 2009 and 2010. He also serves on the State Advocacy Workgroup for the national association and is a member of the American Health Information Management Association, where he served as a member of the governing body from 2006 to 2010.
