

### **Bothwell Kicks Off Nurses Week**

Members of Bothwell Regional Health Center senior and nursing leadership flank First Ward City Councilman Stephen Galliher as he signs a proclamation for Nurses Week 2013.

The annual celebration recognizes the contributions that nursing makes to the health and welfare of Bothwell patients and their families and our community. National Nurses Week is celebrated annually from May 6 through May 12. May 12 is the birthday of Florence Nightingale, the founder of modern nursing.

Happy Nurses Week to our caring and compassionate nurses!
