- Must be seeking a one-year certificate, two-year associate degree, be working towards a four-year Bachelor's degree or beyond, or seeking to improve current nursing qualifications.

The deadline for applications is April 10. Applications will be available at www.brhc.org or by calling the Bothwell Foundation at 660-826-6263.

The Bothwell Foundation's scholarship endowment was created through a bequest from the estate of Patricia Gaunt, who was a registered nurse at Bothwell from 1969 until her retirement in 2001. Her bequest provides resources for other nurses to have the training they need to serve the patients they care for each day.

The recipients of the Pat Gaunt Scholarship will be announced during the Nurses Week celebration in May.
