

## SFCC Donates to Bothwell Foundation

The State Fair Community College Athletics Department recently presented a donation to the Bothwell Regional Health Center Foundation for the Susan O'Brien Fischer Cancer Center. The \$2,651.50 donation represents the proceeds from the Roadrunners Think Pink! Bleed Blue! event held Wednesday, Feb. 13. The event, which helps raise awareness of breast cancer, included a bake sale and 50/50 raffle, admissions from the men's and women's Roadrunner basketball games and a silent auction of donated sports memorabilia, gift certificates and merchandise from area merchants. Dana Page, left, coordinator of the Fred E. Davis Multipurpose Center; Rowdy Roadrunner; and Darren Pannier, right, director of the Multipurpose Center; presented the donation on Feb. 20 to Lisa Church, director of the Bothwell Foundation.
