## BOTHWELL WELCOMES DIRECTOR OF PRACTICE MANAGEMENT

SEDALIA – Sherry Davis has joined Bothwell Regional Health Center as director of practice management and physician recruitment.

In this position, Davis will plan, organize and direct the operation of Bothwell OB/GYN Associates, Bothwell Health Center-Truman Lake, Cole Camp Clinic, Bothwell Family Health, Bothwell Ear, Nose & Throat, Bothwell Surgical Services and Bothwell Internal Medicine when it opens in the spring.

“Professional administration of our physician practices is critical as Bothwell looks forward to employing more physicians and mid-level providers in an out-patient practice setting,” said President and CEO John Dawes. “Sherry will develop and implement business plans, oversee fiscal management and data analysis, and ensure regulatory compliance for those practices.”

Davis brings 25 years of experience in health care to Bothwell Regional Health Center. Most recently, she worked at HCA Midwest Health System in Kansas City where she had been a physician services practice manager for five years.
