## **EAR, NOSE & THROAT SPECIALIST TO DISCUSS SINUS PROBLEMS, TREATMENTS AT BOTHWELL'S DOCTOR IS IN PROGRAM** *Sessions to be held in Sedalia and Warsaw*

Chronic pain and congestion, repeated rounds of antibiotics and still no relief. How do you know if your sinus problems are just a consequence of allergies or if you should consider sinus surgery? Dr. Bryan Stringham, of Bothwell Ear, Nose & Throat, will help answer those questions at Bothwell's next The Doctor Is In program "Sinus Problems and Advances in Sinus Surgery."

The education sessions will be held at 6:30 p.m., Tuesday, June 17, at the Bothwell Education Center, 14<sup>th</sup> and Ingram in Sedalia, and at 6:30 p.m., on Thursday, June 19, at Bothwell Truman Lake, 1765 Commercial Street in Warsaw.

Participants will learn more about common concerns and treatment options for sinus problems and have the opportunity to ask questions.

Dr. Stringham received his medical degree from the Kirksville College of Osteopathic Medicine in Kirksville, Mo. He completed his residency in otolaryngology and facial plastic surgery at Northeast Regional Medical Center in Kirksville, Mo.

Bothwell sponsors The Doctor Is In to provide the public with an opportunity to learn about health issues. Both events are free and open to the public.

For more information, call Community Outreach Coordinator Stephanie Fraley at (660) 827-9138 or email [info@brhc.org](mailto:info@brhc.org).

###
