SURGICAL WEIGHT LOSS SEMINAR IS APRIL 18 IN MARSHALL

SEDALIA - Bothwell Regional Health Center will hold a Surgical Weight Loss Seminar at 6 p.m. on Thursday, April 18, in the community room of the Saline County Health Department, 1825 S. Atchison Drive, in Marshall.

During the free, hour-long program, Dr. Sigi Joseph will discuss the types of bariatric surgical procedures and the comprehensive physical, psychological and nutritional preparation process leading up to the surgery.

Dr. Joseph completed his surgical training at the University of Missouri-Kansas City and did a fellowship in minimally invasive and bariatric surgery at Baylor College of Medicine in Houston, Texas.

Future seminars are scheduled at 6 p.m. through June on the third Thursday of each month in the community room of the Saline County Health Department. Attendees are asked to park behind the building. Additional information is also available online at www.brhc.org. Please click on the Services tab and scroll to Surgical Weight Loss.

Weight loss seminars are also held at 6 p.m. on the fourth Wednesday of each month at the Bothwell Education Center located at 14th and Ingram in Sedalia. A support group for people who have had bariatric surgery or are considering bariatric surgery meets after the seminar each month at 7 p.m.

For more information, contact Dr. Joseph's office at (660) 827-0423.
